Brill's Companion to Herodotus - PDF Free Download

• The Brill Companions to the Christian Tradition have established themselves as indispensable guides for those who study and teach medieval and early modern Christian history. Written by leading specialists, they present and evaluate superbly the persons, movements, and schools that have shaped the intellectual and religious life of Europe.

Brill's Companions to the Christian Tradition

Their reliability as historical and ethnographic accounts, a matter of controversy even in antiquity, is being debated with renewed vigour and increasing sophistication. This Companion offers an up-to-date and in-depth overview of all these current approaches to Herodotus' remarkable work.
