10 Greatest British TV Dramas Of The Last 7 Years – Page 4

The British film industry produced over five hundred feature films in 2012. This article fully lists all non-pornographic films, including short films, that had a release date in that year and which were at least partly made by the United Kingdom. It does not include films first released in previous years that had release dates in 2012.

List of British films of 2012 - Wikipedia

A particular letdown for fans of period British drama. Having all the right ingredients does not always make a good cake, or, given the setting of this film, I should perhaps say a bread pudding with just the right proportions of chewy and creamy.
