### **British Horror Cinema - truefarminc.com**

The horror film reveals as much, if not more, about the British psyche as the more respectable heritage film or the critically revered social realist drama. Yet, like a mad relative locked in the attic, British horror cinema has for too long been ignored and maligned.

### **Frightmares: A History of British Horror Cinema | PDF Free**

Contemporary British Horror Cinema: Industry, Genre and Society has documented how, from 2000 to 2014, British horror witnessed its biggest boom period since the 1970s. The book has shown how British horror films during this period were in constant dialogue with other nations, whether in terms of film economics or textual reflexivity, and also how they managed to retain specific cultural mores.
