Wynn's first major casino on the Las Vegas Strip was The Mirage, which opened on November 22, 1989. It

was the first time Wynn was involved with the design and construction of a casino, and he financed the \$630 million project largely with high-yield bonds issued by Michael Milken. The resort's high cost and emphasis on luxury meant that it was considered high risk at the time, though the ...

In recent years, information technology has had a profound effect on human resources (HR) processes and practices. However, relatively little research has examined its effectiveness, and most of the existing studies have not assessed the degree to which these new systems enable organizations to reach their HR goals of attracting, motivating and retaining employees.

1. Introduction. Fundamental to the successful development of tourism is the balanced or harmonious relationship between tourists, the people and places they encounter, and the organisations and businesses that provide tourism services (Zhang, Inbakaran, & Jackson, 2006). In other words, as the "largest peaceful movement of people" (Lett, 1989: 277) in history both within and across ...
