White Paper is an effort to offer an interpretation of the type of global citizenship as articulated by the youth as the (desired) norm and how this conceptualization of global citizenship might foreclose others.

### **A critical reading of The National Youth White Paper on**

2. To what extent can well-intentioned global citizenship initiatives reinforce or resist power inequities? 3. What types of policies/practices will enable/facilitate global citizenship? The National Youth White Paper on Global Citizenship, written collaboratively by Canadian students, is the direct result of this full-day, interactive event.
