THE CITY OF THE FUTURE | A.T. Kearney 5 about expatriates joining an established national population, but rather a society in which "new" and "old" mix with one another with respect for past culture and diversity (see sidebar: A Vision for Middle East Cities). A successful vision must create a bridge between a city's past and future.

designing a virtual city (using SimCity),

Inspire the Future: Be a Future City Mentor!

In the Future City Competition, teams of middle school students work with an educator and engineer mentor to design a city of the future. They begin by conducting research and writing an essay on an annual theme. Then, using SimCity software, they build a virtual model of their imagined city and a scale model using recycled materials.
