Update: How I feel three months after coming off the Pill! February 10, 2015 By Poppy Dinsey 101 Comments Back in November I blogged about coming off the Pill and I was overwhelmed by the response to it, both publicly and privately.

## **Update: How I feel three months after coming off the Pill**

Coming off the pill will result in a withdrawal bleed, which normally lasts for around a week. Think of it like

your pill break. Often this will be similar to your monthly bleed as most women stop bleeding before the end of their 7-day break.
