Commercialization and Privatization: Some Theoretical Issues Privatization is a programme of divestiture of public enterprises (PE) introduced within the framework of macroeconomic reform.

### **Commercialization and Privatization Policy in Nigeria: A**

privatization and commercialization This two words are synonymous. But just as no two synonyms mean perfectly the same thing, there is a difference between the two of them; a difference that could make all the difference.

### **Privatization and Commercialization in the Nigerian Economy**

Commercialization and privatization are two commonplace words or concepts having clear cut meanings. Hitherto free activity, when commercialized, becomes a source of income for some. On the other hand, privatization refers to limiting or annulling government control or interference in an activity and allowing private control to benefit individuals or corporations.

### **Difference Between Commercialization and Privatization**
