Writing effective and accessible web content (webwriting-1t) Introduction Although the web has become a highly visual, multi-media channel, text is still at the core of

Writing effective and accessible web content

A conforming RTF writer should always write content with readers in mind that they do not know about tags and features which were introduced later in the standards history. As a consequence, a lot of the content in an RTF document is stored several times (at least if the writer cares about other applications).
