A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field.(It is often called a style sheet, though that term has other meanings.). A style guide establishes and enforces style to improve communication.To do that, it ensures consistency within a document and across multiple ...

Style guide - Wikipedia

A board of directors is a recognized group of people who jointly oversee the activities of an organization, which can be either a for-profit business, nonprofit organization, or a government agency.Such a board's powers, duties, and responsibilities are determined by government regulations (including the jurisdiction's corporations law) and the organization's own constitution and bylaws.
