progressions we write later will need to feature good counterpoint. Harmonic Rules 1. Legal vertical intervals In traditional counterpoint one uses only the most basic consonances " octaves, fifths, thirds, and sixths. Thus, given a note in the CF, you really only have a few options as to what you can put against it.

Counterpoint " Introduction & First Species - Dave Smey

The power brings visions of the future and Nazia must buck what everyone thinks the prophecies mean to do what she knows must be done. They start out seeing their mission as a way home, but saving the people around them from the looming chaos soon becomes personal. Fighting evil is something they are willing to risk their lives for.

Nature's Chaos (PDF) ... These photographs of Eliot Porter--selected to provide an illustration and counterpoint to James Gleick's eloquent text--are among the most rapturously beautiful ever produced. They are the visual equivalent of poet Wallace Stevens' attempt to grasp that which lies beyond the limits of sentience. Looking through the ...

Amazon.com: Customer reviews: Nature's Chaos (PDF)

Double Counterpoint is the practice of writing a line so that both the intervals and their inversion (usually octave inversions, but tenth and twelfth inversions may sometimes be used) follow an acceptable pattern of consonance and dissonance. This is done so that a transposed version of the resulting melodic line may be used as a separate part.

Counterpoint is somewhat easy when you just have two voices. Because I just compose for fun, I generally do something like cheat by having just two voices for a large amount of instruments, and then extremely basic harmony.

composition - Is there some trick for counterpoint beyond

Primarily, I saw this book as a counterpoint to Chaos magick. Where Chaos magick writers often lapse into vagueness discussing "gnosis" and "charging," Chapman focuses on a single concrete idea (magick as experienced truth rather than causal manipulation) and then expands on how that idea underpins multiple rituals.
