Despite increasing importance of international marketing for firms to survive and continue to prosper as well as increase their profitability in a rapidly changing environment, researchers pay more attention to domestic knowledge issues rather than international marketing.

Standardization and Adaptation of International Marketing

This paper addresses two questions through a study of 180 SMEs located in contrasting industry and home country contexts. First, which business models for international markets prevail among SMEs and do they configure into different types?

SME international business models: The role of context and

The term "rapidly developing economies" is being used to denote emerging markets such as The United Arab Emirates, Chile and Malaysia that are undergoing rapid growth.. In recent years, new terms have emerged to describe the largest developing countries such as BRIC that stands for Brazil, Russia, India, and China, along with BRICET (BRIC + Eastern Europe and Turkey), BRICS (BRIC + South ...
