CW Lite . Never tried to learn code? No preconceived ideas that code is hard? If you already know how to go in and out of trance, then CW Lite may be all that you need. Or you can use it in conjunction with the Block Buster program. CW Lite uses a traditional "progressive relaxation" induction to induce trance, for those that want a deep physical relaxation as they learn CW.

Samuel Finley Breese Morse, OIC (April 27, 1791 – April 2, 1872) was an American painter and inventor. After having established his reputation as a portrait painter, in his middle age Morse contributed to the invention of a single-wire telegraph system based on European telegraphs. He was a co-developer of the Morse code and helped to develop the commercial use of telegraphy.
