

marilyn stokstad medieval art pdf

The Rocaille style, or French Rococo, appeared in Paris during the reign of Louis XV, and flourished between about 1723 and 1759. The style was used particularly in salons, a new style of room designed to impress and entertain guests. The most prominent example was the salon of the Princess in HÃ´tel de Soubise in Paris, designed by Germain Boffrand and Charles-Joseph Natoire (1735â€“40).
