the big 3 social pdf

That said, a good starting point is to establish a robust presence on the three biggest social media platforms that combine a healthy share of the market with a broad and varied user base – Facebook, Twitter, and Instagram.

Social Media Marketing 101: The “Big Three” of Social

Pinterest holds the pole position to join the ranks of the Big Three, and not just because of its phenomenal user growth. Social media platforms are built around core behavioral affinities, and because Pinterest’s fundamental proposition is image-centric, it is arguably best positioned to capture big advertiser budgets.
