Paradise Lost is an epic poem in blank verse by the 17th-century English poet John Milton (1608–1674). The first version, published in 1667, consisted of ten books with over ten thousand lines of verse. A second edition followed in 1674, arranged into twelve books (in the manner of Virgil's Aeneid) with minor revisions throughout and a note on the versification.

The designs in this coloring book make me think of my various vacations to tropical islands, especially to different islands in Hawaii. In addition to scenes which have a vacation feel, there are designs of flora and fauna (including many fish) that bring up an island feel.
