Dead Set is a British television horror serial created by Charlie Brooker. The show takes place primarily on the set of a fictional series of the real television show Big Brother. The five episodes, aired over five consecutive nights, chronicle a zombie outbreak that strands the housemates and production staff inside the Big Brother House, which quickly becomes a shelter from the undead.

A dead blow hammer is a specialized mallet helpful in minimizing damage to the struck surface and in limiting peak striking force, with minimal elastic rebound from the struck surface. The minimal rebound is helpful in avoiding accidental damage to precision work, especially in tight locations and in applications such as maintenance work on hydraulic cylinders.
