

the dragon shifter s pdf

In mythology, folklore and speculative fiction, shapeshifting is the ability of a being or creature to transform its physical form or shape. This is usually achieved through an inherent ability of a mythological creature, divine intervention or the use of magic. The idea of shapeshifting is present in the oldest forms of totemism and shamanism, as well as the oldest extant literature and epic ...

The werewolf is a creature that exists only for a brief period around the full moon. At any other time, a werewolf is a normal human. However, the term werewolf is used for both the wolf-like creature and the normal human. A werewolf can be distinguished from a true wolf physically by several small distinguishing characteristics, including the pupils, snout, and tufted tail.
