The culture of France has been shaped by geography, by profound historical events, and by foreign and internal forces and groups. France, and in particular Paris, has played an important role as a center of high culture since the 17th century and from the 19th century on, worldwide. From the late 19th century, France has also played an important role in cinema, fashion, cuisine, literature ...

In The Shadows of Glories Past Jihad for Modern Science in Muslim Societies, 1850 to The Arab Spring, 1st Edition. By John W. Livingston. The title of this volume implies two things: the greatness of the scientific tradition that Muslims had lost, and the power of the West, in whose threatening shadow reformers now labored to modernize in order to defend themselves against those very powers ...
