The Gävle Goat (Swedish: Gävlebocken) is a traditional Christmas display erected annually at Slottstorget (Castle Square) in central Gävle, Sweden. It is a giant version of a traditional Swedish Yule Goat figure made of straw. It is erected each year at the beginning of Advent over a period of two days by local community groups, and has become famous for being destroyed in arson attacks ...

TABLE OF CONTENTS . PREFACE. THE gracious reception given to my several reports of field studies among primitive racial groups and the many requests for copies of those brief reports and for further data, together with the need for providing interpretations and applications of the data, have induced me to consolidate my investigations. There have also been many requests from my patients and ...

Book reviews, interviews, columns, and musings. April 27, 2007. Thanks to Carlos and Leo, who ripped my apartment to pieces to fix the gas leak while teasing me mercilessly about my books and discussing Eddie Izzard on the Riches, and Tony, the very nice gas man who okayed it all and allowed me to make a cup of tea for the first time in a week.
