

the human war of pdf

War is a state of armed conflict between states, governments, societies and informal paramilitary groups, such as mercenaries, insurgents and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces. Warfare refers to the common activities and characteristics of types of war, or of wars in general.

Human shield is a military and political term describing the deliberate placement of non-combatants in or around combat targets to deter the enemy from attacking these combat targets. It may also refer to the use of persons to literally shield combatants during attacks, by forcing them to march in front of the combatants.. Using this tactic is considered a war crime by nations that are parties ...
