The theory of evolution is a naturalistic theory of the history of life on earth (this refers to the theory of evolution which employs methodological naturalism and is taught in schools and universities).

Merriam-Webster's dictionary gives the following definition of evolution: "a theory that the various types of animals and plants have their origin in other preexisting types and that the ...

Famous books rewritten in the style of Donald Trump: Lord Of The Rings, Atlas Shrugged Confucianism is newly popular in China after bouncing back from its Cultural Revolution-era ban. The government hopes to build up the philosophy as some kind of principled alternative to Western liberalism, although for now it still seems kind of forced.
