

the littlest learners preparing pdf

Students who participated in an intensive childhood education program from preschool to third grade were more likely to achieve an academic degree beyond high school, compared to a similar group that received other intervention services as children, with greater benefits for those whose mothers were high school dropouts.

Early Literacy Development | Reading Rockets

The legacy you leave is the life you lead. And leadership can be a powerful tool for good—whether leading a team or developing your individual potential to achieve your personal best.

Free Resources for Educators from The Leadership Challenge

Because I write about illness and medical research and the professionals who try to help those with medical problems, I find myself wanting to recommend links that don't really fit into the other categories on this site, or even into the concept of the site.

Coping with chronic, rare, and invisible diseases and

It's back-to-school time. Time to write THAT letter again. The letter to my child's new teacher that explains why our family bans homework.. That's right. I care about my children's learning. That's why I believe tree forts win over homework.

Why We Say "NO" to Homework - Starlighting

Kindergarten Readiness What a 3 or 4 year old needs to know! Here is a list of kindergarten readiness skills based upon a Preschool Inventory given to children at the very end of our local Pre-Kindergarten program.
