the meditations of marcus pdf

Meditations (Medieval Greek: ἑαυτοῦ, translit. Ta eis heauton, literally "things to one's self") is a series of personal writings by Marcus Aurelius, Roman Emperor from 161 to 180 AD, recording his private notes to himself and ideas on Stoic philosophy. Marcus Aurelius wrote the 12 books of the Meditations in Koine Greek as a source for his own guidance and self-improvement.

Meditations - Wikipedia

Marcus was born in Rome on 26 April 121. His name at birth was supposedly Marcus Annius Verus, but some sources assign this name to him upon his father's death and adoption by his grandfather, upon his coming of age, or at the time of his marriage. He may have been known as Marcus Annius Catilius Severus, at birth or at some point in his youth, or Marcus Catilius Severus Annius Verus.
