What the instrument rating is to a pilot, the black belt is to a martial artist. Let me elaborate. Both the martial artist and instrument pilot are trained to handle challenging situations with skill and poise. It's their defensive skills that allow them to do the right thing if and when their environment turns bad.

These pitch and rolls commands are displayed on the G5 PFD Page as Command Bars. When the Flight

Director is active the pitch and roll commands can be hand-flown by the pilot. When the Autopilot is engaged the autopilot servos drive the flight controls to follow the commands issued by the Flight Director.
